Matters Arising

Accounts

Monies in bank: RBS £1060.66; Virgin Money (Clydesdale) £16817.48

Due to low number of transactions, it was decided to discontinue the Quickbooks subscription.

Meanish Pier

Pier Lease

The lease remains unsigned by Kames; there has been no communication from Stuart Cannon since January. Fraser Leslie, The Trust's solicitor to speak to his lawyer. Directors voiced their concerns over the tardiness of response; Kames to be advised that The Trust will review its position one month hence should an agreement not be forthcoming.

Planning Permission for barrier update.

3 objections have been received: two Glendale residents + one from Dunvegan. It has transpired that the road under Council adoption extends fully to the pier (counter to what plans have indicated). Monitor what happens at Staffin. The application will be withdrawn.

GT sign will be erected.

Borrodale School

Draft lease sent to Fraser Leslie for review. Some amendments made and agreed by both parties. Ready to be signed.

Councillor Calum Munro's visit to Glendale

Topics discussed: path to playpark; upgrade of play park; missing passing place signs to be replaced; speed restrictions through village centre; Borrodale School Buildings; camping at Meanish Pier; traffic to Neist Point. HC Rangers will include the Glen in their coverage, but given that there are only three rangers for the whole of Skye.

AOCB

Direct Debit sent to SLCVO, but membership fees suspended for this year. I suggested they keep the subscription as a donation as they have been working hard during COVID. A receipt will be needed from SLCVO.

Brian has been co-opted on to the board.

Business Stream – AK to follow up 21/7

Next Meeting

The next director's meeting will be in October 2021; date to be notified.

The Chair thanked everyone for attending and the meeting was closed.
